### SUBJECT: Educational Project – Consultation evening on January 28, 2019

Dear parents,

Although FACE's fine arts project has long been a part of our curriculum, a lot of water has flowed under the bridge since we wrote up our new Educational Project proposal last year. It's now time to take a closer look at the project we've been working on since that time.

NOTE: Although our school's Fine Arts and Educational projects are linked, they are also two separate entities. Our Fine Arts project is a service offer that provides education in 4 art forms, and is recognized by the Ministry of Education. The Educational Project, however, is a tool that enables the school community to paint a full picture of our milieu—our strengths and weaknesses—in order to select which principles we need to uphold to ensure the success of as many students as possible.

Many parents last year took part in an evening dedicated to analyzing our current situation, and many more replied to the questionnaire we sent out about our Education Project. We've since gathered all information from parents, students, and staff in order to form a pretty comprehensive picture of our current milieu. We're now at the next step: prioritizing which challenges to take on.

We are looking for input from everyone in the FACE community, which is why **we invite you to continue this discussion with us at a consultation evening set for Monday January 28, 2019, from 7 to 9 p.m.**

If you'd like to join us, **please reply no later than January 23, 2019**, to [KBernier@emsb.gc.ca](mailto:KBernier@emsb.gc.ca). Be sure to include the following in your reply:

- Email subject: Education project
- Your first and last name
- Preferred language for group discussions (English, French, both)
- Your child (children's) grade (preschool, primary, high school, and grade number)
- Your child's school commission (CSDM or EMSB)
- Number of family members who will be attending the consultation evening

Thank you for your continued support and we look forward to seeing you on January 28!

Annie Lamarre  
Principal
